How to Get There

From Gothenburg (Göteborg)

Travel south on the E6 motorway following directions for Malmö and Halmstad. After passing Halmstad on the motorway travel a further 17 km and take exit No. 41, signposted Laholm, Hässleholm and Mellbystrand. At the end of the short exit road (600 metres) turn left onto the V24. Follow the V24 over three roundabouts, passing the centre of Laholm on your left. After 900 metres you should see a sign for the Sofiero industrial area. Turn left here onto the road called Glänningeleden. Follow this road straight on. After crossing Kristianstadvägen the road bears right into Repslagaregatan. The DIAB visitors entrance can be found shortly after the bend on your right hand side.

From Malmö & Helsingborg

Travel north on the E6 motorway following directions for Gothenburg and Halmstad. Pass the sign for Laholms Kommun and take exit No. 41 for Laholm, Hässleholm and Mellbystrand. At the end of the short exit road (400 metres) turn right onto the V24. Follow the V24 over three roundabouts, passing the centre of Laholm on your left. After 900 metres you should see a sign for the Sofiero industrial area. Turn left here onto the road called Glänningeleden. Follow this road straight on. After crossing Kristianstadvägen the road bears right into Repslagaregatan. The road then turns sharp left. The DIAB visitors entrance can be found shortly after the bend on your right hand side.

From Halmstad

From the centre of Halmstad, take the Laholmsvagen road (No. 117) to Laholm (signposted Markaryd). As you approach the outskirts of Laholm you will cross the River Lagan and pass an old hydroelectric power station on your right hand side. Immediately after you cross the bridge, take the first turning on your left which is signposted 'Sofiero Industriområde'. Follow this road (Lantmannagatan) and turn left into Repslagaregatan. After passing the Laholm sports field on your left, the DIAB visitors entrance is the next turning on your left. It is also possible to travel from Halmstad to Laholm via the E6 motorway. In this case please follow the 'From Gothenburg' directions.
